Subject: Airborne Systems 100 Year Party

Hello,

In celebration of the 100th year of incorporation for Airborne Systems, we have decided to hold a party in both our California and New Jersey facilities so all our employees can enjoy the festivities and join in the celebration. This is a unique event in our history which deserves a real celebration!

The California party will be held on June 18th, 2019, commemorating the exact date that Leslie Irvin received the signed Certificate of Incorporation for the Irvin Air Chute Company in 1919. We will be inviting some key customers and suppliers and long-time friends of Airborne Systems (both NJ and CA) to join our California employees in this celebration. Details are in the works but we plan to have a luncheon and celebration toasts in addition to setting up displays and demonstrations of the history of our company throughout the afternoon. Of course, we will have selfie opportunities for folks to get their pictures taken with our full size Leslie Irvin cardboard cutout too.

The New Jersey party will be held on June 20th and will be for employees only. This will allow folks who will be attending both events to travel back to NJ. We will have a luncheon and anniversary cake and, of course, the opportunity to take a selfie with our life size cut out of Leslie Irvin.

We will be working with the various departments to send out our 'Save the Date' notices to key customers, suppliers, and longtime friends for the California dates. If you're concerned we may miss someone, please let Maria Holman or Judi Brashers know and they will ensure everyone gets added to the list.

Again, this is a significant milestone for us. If you have any ideas for displays or demonstrations please just let us know. It's time for a party!
